## DETAILED INFORMATION

### Description

If awards and accolades judged a builders or yachts pedigree, A&I is by far the finest Broward Motoryacht built in this company's fifty year history. Winner of Showboats "Best Semi-Displacement Motoryacht (under 40 meters), "Best Bridge Design" and finalist for the International SuperYacht Design Award, this yacht has proved itself to be Worthy of the praise and is now offered for sale.

A&I has traveled through the Mediterranean, East Coast, Canada, the Great Lakes, Bermuda, Caribbean and Alaska taking her owners comfortably, elegantly and safely through the oceans of the world.

While many blue water yachts have similar travel missions, few can cruise at 20 knots continuously or manage a top speed of 24 knots. A&I enjoys most of her miles at a comfortable 16 knots at a fuel efficient 1600 rpm's for her three Caterpillar C30 engines. With a 7'0" maximum draft and 10,600 gallons of fuel onboard, she can cruise most any place in the world. Having completed a full interior refit, updated C30 Caterpillar engines, and newer 92kw Northern Lights Generators, A&I is ready to cruise wherever her new owner desires!

### Accommodations and Layout

As you enter the centerline passageway of A&I's entry area, twin panels of glass flank the entry door giving this area an expansive feel. Black granite tile leads forward to the master suite and office and aft to the powder room and dining area. Directly ahead is a "floating" staircase with brass railings and peach mirrored bulkheads.

With Limed Oak throughout, the main salon paneling and cabinetry lend a classic feel with offwhites and golds to lighten the feel of this space. A cambered ceiling covered in off white ostrich skin also gives an unusually expansive feel because of the full beam configuration along with deepened ABS window systems. Formal dining is forward with a circular Empire dining table with eight elegantly appointed chairs.

A walk-up granite bar runs along the starboard portion of the salon with refrigerator, icemaker and storage. A Sharp 37" flat screen TV is enclosed in a stairwell area aft with two matching Lazy-Boy L-shaped sofas with matching 'owners' recliner with two matching coffee tables for conversation and formal gatherings. A complete entertainment center with CD player, DVD/VHS player, satellite TV box, storage drawers and a 40 bottle wine cooler runs along this aft bulkhead beautifully enclosed in oak cabinetry.

The master suite is located on the main deck just off the main entrance featuring a separate office. Forward of the office is the master suite with cream fabric bulkheads, vaulted lacquer ceiling overhead with mirrored insert, Birds Eye maple entertainment center with Sharp 32" flat screen TV, satellite box and Sony VHS/DVD player. His and her marble bathrooms feature a shared centerline shower. Four large windows give this stateroom a wonderful open feeling.

The teak aft deck has a centerline boarding access via a med gangway with a beautiful custom varnished oval teak table with adjustable base. The aft deck V/vet bar encloses an icemaker and refrigerator along with storage closets. Spiral stairwell to port leads to the upper lounge deck. Just inside the main salon from the aft deck is the stairwell to the lower guest quarters. A hexagonal foyer houses a cedar lined linen and storage area. Two queen-size staterooms to port each with their own baths with oversized showers, vanities and cedar closets in each. The forward guest stateroom to starboard has twin berths with oversized shower and vanity. Aft is a Pullman queen berth which converts this to a fourth Quest stateroom or exercise area with en-suite bath and shower and access to lazarette and swim platform. Each stateroom has a TV/VCR, DVD/CD player along with ample drawer and suitcase storage and vanities.

### Main Salon

Limed Oak interior throughout, custom carpeting throughout with runners, custom integrated valances and rope lighting, custom low voltage lighting throughout. (2) Custom L-shaped Lazy-Boy sofas with throw pillows. Custom coffee tables with black granite tops and two storage drawers in each. Matching side table with granite top and 3 drawer storage. ## Comments

A&I is a must see for anyone looking for a trideck yacht in the 40m range. Having been built by a true yachtsman, and continually updated throughout her life, she represents a great opportunity in today's market. Newer Cat C30 engines, 92kw generators, full interior refit, and all systems updated, A&I is ready to cruise wherever her new owner wishes to take her.

## Exclusions

Owner's personal belongings.
