SPECIFICATIONS

Overview

The Albin nameplate is generally associated with trawler-style cruising yachts from Taiwan. This 32' sportfisher represents a departure from that heritage. This 32' sportfish is a very practical and fuel efficient trunk cabin express cruiser. Built in Rhode Island on a modified-V hull with a full-length keel and 14 degree of dead-rise aft. This Albin 32' features a large fishing cockpit with livewell, bait rigging center. The sidedecks are wide and high bulwarks provide secure footing in rough seas. Below, the U-shaped dinette will sleep two and a unique mid-cabin fitted beneath the bridgedeck has a double berth and a single berth to port. Headroom is excellent thanks to the raised foredeck, and hatches in the cockpit sole provide good access to the engine. This Albin is powered by a single 250 H.P. Cummins Diesel with a bow thruster. Cruising speed is approx. 17 kts. with an outstanding 700 mile-plus range

Boat Name "Nearly Satisfied" **Specs** Builder: Albin Designer: T Compton Hull Shape: Modified Vee **Dimensions** LOA: 32 ft 4 in Beam: 12 ft 3 in Maximum Draft: 3 ft 10 in Displacement: 13500 lbs Bridge Clearance: 13 ft 0 in **Engines** Engine 1: Engine Brand: Cummins Engine Model: 6BTA5.9M Engine Type: Inboard Engine/Fuel Type: Diesel Drive Type: V Drive Engine(s) Total Power: 250 HP **Tanks** Fresh Water Tanks: (96 Gallons) Fuel Tanks: Aluminum (280 Gallons) Holding Tanks: (20 Gallons)

Vessel Overview

Accommodations Entering the main salon there is a bench seat to port with large U shaped seating area to starboard. This area can easily be converted to a large double bed. Storage cabinets are below and there are numerous opening hatches. Moving forward the galley is to port with the marine head/shower area opposite. A good sized U shaped dinette is next forward. This area can also be quickly converted into a comfortable sleeping area. The interior is very clean and well constructed. A large overhead opening hatch as well as many opening ports allow for good natural lighting. A central A/C & reverse cycle heating system can be operated either from shore power or off the Generator.

Galley The Galley offers good storage, a two burner electric / alcohol stove and a large refrigerator with freezer section. Pressure water system. Microwave oven.
