## Overview

---

TIR NA NOG III features 3 staterooms, 2 heads, a large country galley & dining area, hard windows at the upper station with windshield wipers, an LCD TV on the aft deck, granite flooring and counters in the galley, Kahlenberg horn, power lift & rotate davit, and more.

She is powered by twin 900hp Yanmar Engines with under 600 hrs and also has two Kohler generators - 20 kw and 10 kw and 15hp bow and stern thrusters. This is a highly desirable pilothouse design from Hampton with Kevlar "collision zone" hull, stabilizers, full electronics package valued at 28K (single station layout) and complete decor package. She is a must see!
