### Brokers Comments:

The open version of the 41 Typhoon embodies the true Spirit of Scandinavia. Exemplary build quality, class-leading handling, sea-keeping and on-board comfort, all come together beautifully in these hugely capable cruisers.

### Construction:

- The hull and deck are white GRP, cockpit and bathing platform are teak laid.
- High gloss interior cherry joinery with Mayfair fabric cabin upholstery.

- Automatic extinguisher to engine compartment.

Windy are a product of traditional craftsmanship, enhanced with the aid of modern technology.

All the Windy models are CE-labelled. This means that Windy meets all the requirements laid down for quality control documentation and product liability within the EU. In the process of obtaining approval, the company has also introduced new methodologies, construction principles and more advanced construction production equipment, resulting in more cost – effective and quality oriented processes in – house. But above all, Windy is a “Boat Builder” and not a manufacturer of boats, a philosophy, which characterizes their production staff and all those within their distribution network.
