Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Volvo

Model: IPS 500

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Description

This Sovran continues the Tiara Yachts tradition of quality and engineering that takes full advantage of Volvo IPS technology – including the new IPS joystick control – for superior handling, noise and fume reduction, and fuel efficiency. The full complement of IPS technology delivers 360-degree direction control at your fingertips. By utilizing the space advantages of the IPS drive in a single stateroom layout, Tiara Yachts designers have been able to open up the salon and increase the size of the head, including a full-frame door and stall shower. The extra space is also put to practical use in a step-down “theater” lounging area. The 3900 Sovran is a uniquely livable single-stateroom floor plan that’s ideal for cruising. Its living space is well thought out and fitted out with traditional Tiara Yachts attention to quality, seaworthiness and lasting value.

Optional Equipment

- Flag Blue Helm
- Forward Deck Sun Pad
- Upper Cockpit Cool Helm Air Conditioning 32,000 BTU
- Dual Volvo Engine Displays
- ACR RCL-100 Remote Spot Light
