NEW TO THE MARKET

Picture in your mind the opportunity to purchase a boat from Mr. Meticulous a boat that looks just as nice as when it was first delivered, here is your chance. This is a hands on owner who supervises all maintenance and work done to the boat which must pass his critical inspection. The boat has been used for short trips to the keys and day trips to local islands and clubs. The boat has ceramic tint on the windows to reduce heat and glare, FLIR night vision, hydraulic lift, and fresh water maker.

This boat will not last long call before the opportunity passes by.
