Overview

This is a custom built aluminum trawler. Built in Louisiana by Gulf Craft LLC. They have been in business since 1965. The boat originally was 50' and at some point there was 5 additional feet added aft. She has twin Detroit 6-71's and a Kubota 8.5 KW gen set. The main salon has good visibility and lots of storage and windows. There is sleeping quarters forward for 4 or 5 along with a head and stall shower. With a little TLC she would make a great live aboard. Give me a call so we can talk about this all aluminum trawler.

- There is limited information available on this vessel.
- A diver just cleaned the bottom July 2013.
- Both the Detroit Diesels run, the hours are unknown.
- The Kubota generator runs, the hours are unknown.
- There are 2 fuel tanks, capacity unknown.
- There is 1 fresh water tank, capacity unknown.
