DETAILED INFORMATION

Accommodations

Entering the main salon there is a large L-shaped dinette/settee to starboard with a convertible dinette table, full length shelf outboard and storage/liquor cabinet aft with a lap top computer that is designated for GPS, electronic nautical charts and Sirius Weather. To port there is a stand-up nav table forward with chart light and tool drawer. Aft of the nav table there is an inboard facing settee. On the aft bulkhead to starboard is the 110/12 Volt electric panel, to port is the entertainment center. There are four large fixed windows each with Ocean Air roll-up window shades.

The owner's cabin is forward with a fore and aft centerline queen size bed with a 6" Deluxe mattress, end tables w/ drawers forward port and starboard (small safe in the stbd table). Cabinet to port with three louvered doors and open shelves in each.

Three steps down to the stbd hull passageway, the owner's head compartment is forward with separate shower stall. Aft is a office with an aft facing computer desk, three hanging lockers and cabinets inboard.

From the salon three steps down to starboard hull the aft cabin has a queen size berth with full length shelf inboard, hanging locker and three drawers forward inboard. Engine access is under the berth with a hinged door for easy access.

From the salon three steps down to port the aft cabin has a queen size berth, shelves inboard, hanging locker and three drawers forward. Engine access is under the berth with a hinged door for easy access.

Galley is midship and the second head compartment is forward with a separate shower stall with the built-in washer/dryer behind double access doors forward.
