Hull Material: Fiberglass

Hull Configuration: Modified V-Hull

Engine Information

Manufacturer: Caterpillar

Model: C-12

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

This is a Captain maintained 2004 40 Cabo Express that is docked behind the owner's estate on the St Lucie River in the Stuart, Florida area.

CAT C-12s have only 1800 original hours.

Raymarine electronics & radar, with only the best Icom VHF's & Simrad AutoPilot.

One example of the owner's willingness to spare no expense in upkeep is that there was recently an issue with the generator onboard. Rather than repairing the unit and risking future problems he decided to replace it with a completely new generator.

The NEW Westerbeke generator is custom made for this specific Cabo and is newly installed as of August 2013.

Truly an excellent fishing machine, the 40 Cabo is known as one of the better riding, more fuel efficient models in the complete line of Cabo Sportfish.

Electronics & Options List

- Raymarine electronics package
- Simrad AP22
- Icom IC-M602 VHF
- Icom secondary VHF unit
