## Overview

---

The 44 Tollycraft CPMY is a very well designed and manufactured yacht that has gained widespread respect for its cruising and livability characteristics. A full beam master stateroom aft and spacious guest cabin forward each have a full ensuite head. The salon offers plenty of room and access to the forward facing breakfast bar opposite the lower helm station to starboard.

The large sundeck has a fiberglass top with side curtains. A ladder from the sun deck leads down to the cockpit that has a transome door, hot/cold shower and a storage lazarette.

Steps from the sun deck lead up to the flybridge where two captains chairs face the controls and electronics. A "L" shaped seat with storage underneath provides additional seating. The flybridge is fully enclosed.

Low hours on the twin 6V53 (Turbo) 400 HP each diesels in excellent condition.

Boat Name "El Jefe" **Dimensions** LOA: 44 ft 2 in Beam: 14 ft 8 in Maximum Draft: 3 ft 6 in Bridge Clearance: 16 ft 6 in Dry Weight: 28000 lbs **Engines** Engine 1: Engine Brand: Detroit6V53 Year Built: 1990 Engine Model: 6V53 (Turbo) Engine Type: Inboard Engine/Fuel Type: Diesel Location: Port Engine Hours: 1498 Engine(s) Total Power: 400 HP Engine 2: Engine Brand: Detroit Year Built: 1990 Engine Model: 6V53 (Turbo) Engine Type: Inboard Engine/Fuel Type: Diesel Location: Starboard Engine Hours: 2360 Engine(s) Total Power: 400 HP **Tanks** Fresh Water Tanks: (120 Gallons) Fuel Tanks: (540 Gallons) Holding Tanks: 2 (20 Gallons) **Accommodations** Number of double berths: 4 Number of cabins: 2 Number of heads: 2 **Electrical Equipment** Electrical Circuit: 110V **Outside Equipment/Extras** Electric windlass

## ACCOMMODATIONS

Entry is made through the sliding door on the starboard side into the main salon. The lower helm station is located at that point of entry, opposite the breakfast bar overlooking the galley down to port. A couch that converts to a double berth and a telescoping double leaf table rest upon beige carpeting in the salon.

Opposite the galley to starboard, is a dining table with seating fore and aft.

The guest cabin with large V-berth is forward as well as the forward head.

A few steps down from the salon aft leads to the master stateroom with a centerline

queen berth accessible from both sides. More than ample storage is on both sides with a dressing vanity on the port side. The master head with separate shower stall completes this terrific owner's cabin.

From the main salon three easy steps take you up to the sundeck with the solid overhead, deck chairs, storage box and access to the wide side decks with tall, secure rails. Up a few steps and you are on the flybridge with the helm station, two captain chairs and an L shaped seating bench -- a great place for enjoying the view and the fun!

Down the short ladder from the sundeck you step onto the aft cockpit. This feature gives you access for line handling while docking and access to water sports or bringing your favorite catch aboard through the transom door.

## **SALON**

The salon is spacious, bright with natural light, provides direct access to the master stateroom, galley, dinette and sundeck. Two access panels in the salon floor provide ample access to the well configured and clean engine room.
