DETAILED INFORMATION

Vessel Walkthrough

Stepping aboard this vessel, one is treated to diverse outdoor spaces that offer comfortable seating, lounging, dining, entertaining, and adventure, as well as access to all key locations in the yacht. Curved pneumatic doors with sensors glide open to reveal the full beam Salon. This beautiful yacht was custom built 7' headroom height of the ceilings, stairways, as well as the triple-crown molded arches! Forward is the formal Dining Room which joins with the Salon, creating a very large area for entertaining and relaxing. There are cleverly concealed pocket doors port and starboard which easily separate the Salon and Dining area from the rest of the boat, for complete privacy. Forward is a day head and access to the raised pilothouse. Continuing forward one enters the "country kitchen", which includes a large settee facing aft and affords guests a comfortable, family-like setting, where meal preparation can become a social event, if desired! Panoramic windows allow plenty of natural light, showing off the detail of the Sappelli mahogany wood interior. Forward of the Galley and down a private stairway is a large VIP Stateroom with custom queen bed and ensuite head. The detailing and spaciousness rivals what is normally found on much larger yachts. To port and forward of the Salon is a private stairwell leading down to a Grand Foyer with custom granite flooring and a private bar area, featuring a Sub Zero refrigerator. Forward of the foyer are two guest staterooms, one VIP with a queen size walkaround bed and the other with two single beds (which can convert to a king-size) as well as a "disappearing" Pullman berth above. Aft of the Grand Foyer is the spectacular full-beam, spacious Master Stateroom, which features his/her heads with both a walk-in shower and a separate whirlpool tub. So, overall DA BUBBA can comfortably accommodate up to 9 guests! The interior features Sappelli wood finish, granite and marble flooring and counters, Awlgrip finish in all shower stalls, custom inlay on the master berth platform, custom arched doors and closets, crown molding, and even a Nutone central vacuum system!

Aft Deck

Teak decking sets the stage for comfortable bench seating for 6, complimented by 4 teak armchairs. The teak table features a high gloss finish perfect for outdoor dining. To port, the aft deck features a granite counter top with 26" flatscreen TV and SubZero refrigerator. From here, guests can easily access the flybridge (from the user friendly staircase to starboard), salon and oversized swim platform for all water sports.
