Overview

Rick 'N Roll has been very well maintained and cared for by the current owners. She has an amazing amount of room for a 36' yacht. The aft deck is large and allows easy access to the swim platform with a walk through transom. From the aft deck forward into the cockpit/helm area and along each side are padded bench seating with custom covers, a convertible table and walkway between. Along the starboard side is the companion helm seat and to port is the helm area. Both helm seats are upgraded to adjustable, reclining heavily padded seats. The cockpit area is covered with a hardtop and the sides are canvas and isinglass. The windshield opens to allow excellent air flow. From the cockpit and down two steps you enter the main salon. The entire interior features beautiful laminate teak and holly floors, matching fabrics, and expansive spaces. The salon features an "L" shaped settee along the port side and a matching built in seat along the starboard side. Additionally the starboard side has a folding dinette table. Forward the salon opens into the den through a small pass-through which can be closed for privacy. From the aft salon and down two steps you enter each hull. The port side hull offers a double berth aft with huge storage areas and the galley area is in the middle of the hull. All the way forward, you enter the forward stateroom which has been converted into a den with large custom cabinets with doors, power and cable outlets. Also a forward settee with drawers and a hanging locker. Down two steps into the starboard hull is a double berth with ample storage areas, hanging lockers and drawer space. Directly in front of the steps is the electrical panel and additional storage and linen closet. Further forward is the head with large mirrored vanity, separate shower stall, under-sink storage and large medicine cabinet. Through the shower stall and into the forward hull there is access to the generator and loads of additional storage.

DETAILED INFORMATION

36' Endeavour Overview

Rick 'N Roll has been very well maintained and cared for by the current owners. She has an amazing amount of room for a 36' yacht. The aft deck is large and allows easy access to the swim platform with a walk through transom. From the aft deck forward into the cockpit/helm area and along each side are padded bench seating with custom covers, a convertible table and walk-way between. Along the starboard side is the companion helm seat and to port is the helm area. Both helm seats are upgraded to adjustable, reclining heavily padded seats. The cockpit area is covered with a hardtop and the sides are canvas and isinglass. The windshield opens to allow excellent air flow. From the cockpit and down two steps you enter the main salon. The entire interior features beautiful laminate teak and holly floors, matching fabrics, and expansive spaces. The salon features an "L" shaped settee along the port side and a matching built in seat along the starboard side. Additionally the starboard side has a folding dinette table. Forward the salon opens into the den through a small pass-through which can be closed for privacy. From the aft salon and down two steps you enter each hull. The port side hull offers a double berth aft with huge storage areas and the galley area is in the middle of the hull. All the way forward, you enter the forward stateroom which has been converted into a den with large custom cabinets with doors, power and cable outlets. Also a forward settee with drawers and a hanging locker. Down two steps into the starboard hull is a double berth with ample storage areas, hanging lockers and drawer space. Directly in front of the steps is the electrical panel and additional storage and linen closet. Further forward is the head with large mirrored vanity, separate shower stall, under-sink storage and large medicine cabinet. Through the shower stall and into the forward hull there is access to the generator and loads of additional storage.

36' Endeavour Accommodations

Rick 'N Roll has three staterooms and can comfortably sleep three couples. The forward den/stateroom is located just forward of the salon and can be open to the salon or closed off for privacy. There are two identical double guest VIP staterooms located aft on each hull with bedside table, hanging locker and drawers. A large overhead hatch and two opening port lights with screens let breezes flow through the cabin and keep all the bugs out. All three staterooms are located on opposite ends of the yacht, so privacy is assured.
