SPECIFICATIONS

Overview

The new Horizon PC52 model answers the demand for a high-end power catamaran in the 50-foot range that is capable of true blue-water cruising. The PC52 offers extremely comfortable living spaces, with a functional three stateroom layout, large galley and spacious salon, as well as all of the necessary amenities for extended cruising. She has been professionally designed and engineered to meet Horizon's high standards for quality, and the PC52's generous bridge deck clearance ensures the ride is efficient, smooth and stable, providing you the peace of mind you need when out on the open sea. Available in both an open and enclosed flybridge version.

****Please note that this listing represents a new model specification and not an actual hull in build. Please contact us for more information.****
