# DETAILED INFORMATION

---

## Overview

---

Powered by NEW triple 480 hp, Cummins fuel-efficient diesel engines, the Fountain 48 Express Cruiser can cruise at an astonishing 45 mph while attaining one-plus mile per gallon. Open up the throttles and run up to 62 mph. Further, the 48 EC's 12-foot beam provides the perfect combination of smooth ride and stable platform. Accommodations of the 48 provides you with the luxury that you would expect from a world class yacht. Like all Fountains, this classic was born of the brutal world of offshore racing. It means simply that this one performs like a champ. Remember, this is the yacht that set a world record from Key West to Cancun, Mexico, dashing 405 miles in 8 hours and 36 minutes while running into a three to five foot head sea which was a quick day's cruise instead of the traditional overnight haul. While others are still chasing the moon, you could be sipping cocktails in its luminous thrall. You really need to see this boat! OWNER SAYS SELL!! \$120,000 PRICE REDUCTION!!
