DETAILED INFORMATION

Description

LOVIN' LIFE is a well appointed 2008 Lazzara 75' LSX. Its sleek lines and exceptional condition are certain to impress even the toughest critic. With 4 staterooms and a separate crew quarters aft, this vessel boasts more interior volume than most Motor Yachts her size. A spacious main deck salon which houses a "day head" for guests also is open to the helm station giving the area a very open feel. With a large galley down below open to the helm station and salon, everyone is sure to be impressed with the open "loft" feel designed by Lazzara. **LOVIN' LIFE** is a custom built vessel for an experienced yachtsman. No expense was spared on upgrades during the build process including all teak exterior decks, teak wood rails fore and aft, Headhunter black water treatment system, and CRESTRON remotes throughout the vessel for controlling lighting and AV components. In an effort to maintain her original beauty, the owner has just put in new carpet, re wrapped the exterior cushions, re wrapped the helm chairs and upgraded to a larger SAT dome. This vessel sets the standard for Lazzara quality and her immaculate condition is sure to leave a lasting impression on all who see her. If you are looking for an exceptionally well maintained Lazzara 75' LSX that has all the upgrades then this is the vessel for you!
