SPECIFICATIONS

Overview

Having maintained and operated the yacht on a commercial basis for 10 years, the current owner converted her over the last 5 years, completing in 2011, to a dedicated dive yacht. The yacht is extremely well thought out from a guest and operational perspective with highly practical areas for both guests and crew. The yacht is in near turn key standard and could very quickly become operational in any dive location in the world. She sleeps 8 guests in 9 multi configurable cabins and with 28 crew berths for optimum customer service.

DETAILED INFORMATION

Remarks

The vessel has been converted by a very experienced owner who took many painstaking years to carefully plan and complete the layout which has resulted in a very practical platform for a very successful dive charter/exploration business. The guest accommodation is simple yet highly functional and quality materials have been used throughout. Guests will stay in a high degree of comfort with each cabin is well insulated for noise reduction and fire protection. Guests have a choice of internal and external areas to relax in when not in their private accommodation. The engineering on the vessel has been maintained to a very high standard and the engine room is a joy to work in and move around. All systems have been expertly maintained and will continue to run for many many years. All crew areas of the yacht have been carefully thought out with dedicated work stations for key crew including Captain, Yacht Manager, Chef, Dive Master etc. The vessel requires very little to make her immediately operational and represents an excellent business opportunity.
