## Description

---

HEAVEN SENT represents the cleanest and most well-equipped 56' Viking on the market. Having spent her first several years in fresh water, the boat was taken to Viking's Riveria Beach yard for a refit in early 2012 at which time the mezzanine level was added, as well as an Eskimo ice maker, Sea recovery watermaker, and freezer/refrigerator storage space. August 2013 yard period with new bottom paint and fresh wax. HEAVEN SENT is truly a 10 and a must see for anyone in the market for a Viking.
