SPECIFICATIONS

Overview

This CLASSIC Grand Banks has 2 staterooms and can sleep 6 people comfortably. Starting Forward there is a V-berth with storage underneath and a hanging locker. Ensuite and aft is a head with shower. Immediately aft and up a few steps are the lower helm and galley with granite top island. Behind the helm to starboard is an L-shaped dining area with teak table and built-in settee. At the aft end of the salon are steps that lead down to the master stateroom with an ensuite head with shower. The aft deck is accessed from the owners cabin through a private companionway.

The vessel was used as a demonstrator for Hybrid Electric Propulsion and the original 210 hp Caterpillars were removed from the yacht. The Hybrid Machinery has been removed to a new platform and the vessel is ready to repower.
