4. CAPACITIES

ACCOMMODATION	10 x Guests in 5 cabins
CREW	5/6 x Crew members in 3 cabins
FUEL	20,000 litres / 5,283 US gallons
FRESH WATER	4,500 litres / 1,188 US gallons

5. ACCOMMODATION

The design and styling has been delivered by Rene van der Velden while naval architecture was provided by Piet van Oossanen. Together with the Vitters team and numerous specialists they have created a yacht with very good performance and excellent ocean-going characteristics. The yacht is comfortable under all circumstances. Much attention to items such as noise and vibration prevention, ventilation and air conditioning has contributed to the further comfort on board.

The interior has a very harmonious design with cross-veneer Anigré panelling and Wengé floors. She has five cabins, all of outstanding comfort and luxury. The owner's cabin is on the main deck with great views. The full-beam VIP cabin and three more guest cabins are situated on the lower deck. The crew have separate quarters with a crew mess and three cabins. The flybridge is the best we have ever seen in this size with plenty seating and sunbathing space, biminis which can be deployed in a flexible manner, and a Jacuzzi. Very good access from the flybridge to aft deck which offers a large seating area but also from flybridge to pilothouse.

MAIN DECK

The master suite is forward on the main deck, aft of which are the galley and the open plan dining and lounge salon, as well as the open aft deck with table and seating.

LOWER DECK

Forward is a full beam VIP cabin, another double and 2 twin guest cabins, all ensuite. Crew quarters are amidships, with a mess room, captain's cabin and 2 twins. The engine room and tender garage are aft.

UPPER DECK

The pilothouse is large, with a long table and sofa behind the steering position and gives access to the expansive flybridge deck, with bar, seating, spa pool and sunbeds under retractable biminis. This deck can also be comfortably accessed via the outside staircase leading up from the aft main deck

6. MECHANICAL EQUIPMENT

ENGINES	2 x 1,675 hp Caterpillar C32 V12
ENGINE HOURS	May 3rd 2017
	Port: 3,868 hours
