DETAILED INFORMATION

43' Viking Overview

Still Waters II is a classic 43' Viking motoryacht with a 2 stateroom, 2 head layout, fuel efficient CAT 275 hp main engines and non-skid decks. The port engine was recently overhauled.

43' Viking Vessel Walkthrough

Boarding Still Waters II you find a very large sundeck which no doubt creates great afternoons at the dock, on a slow cruise or at anchor enjoying lunch or an afternoon of beverages.

The sundeck is plenty large for a party of ten to twelve folks to gather and enjoy themselves.

Entering the main salon you see that the current owners have updated her into a contemporary world of comfortable fashion. The salon features flat screen TV with easy chairs and settees done in earth tones and modern texture woods.

The separations between the galley and the dinette have been removed and a beautiful custom room break has been created that allows socializing between the galley and the salon. The dinette has been converted into a lower salon area that compliments the upper salon.

Still Waters II features a large open galley with an array of appliances that are all recent and in concert with the style of the furnishings.

Forward of there is the guest stateroom with a large vee berth accompanied by an ensuite head and enclosed shower. This provides great privacy and comfort for your guests.

The master stateroom, which lies very privately at the stern, is a full beam accommodation with a large ensuite head and lots of closet and drawer space. The berth is a queen and allows plenty of space for walk around.
