Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

Entrance to the vessel from a floating dock is via the swim platform up curved steps to the spacious aft deck via a zippered curtain door. Forward boarding gates give way to fully walk-around side decks. The aft deck can be accessed via hinged port and starboard wing doors.

The aft deck is over 10' deep and contains a dining settee and bar with granite countertop as well as a dedicated A/C system. This layout is unique to this particular vessel and not found on a standard 74' Hatteras.

Going forward through the custom hinged plexiglass door is the spacious Salon well lit with large side windows.

Immediately to port is 4-5 person leather L-shaped settee with an ash wood triangular table in front.

Next forward is a Suzuki Baby Grand Piano. To starboard starting aft is a round end table, an upholstered barrel chair, a five drawer desk and a Lucite enclosed stairway to the master cabin.

Duette shades cover the windows, a large 52" Sharp LCD TV is built into the forward bulkhead, 4 stereo speakers and 19 overhead lights are above. Also, in this area is a new surround sound stereo system with iPod, Aux input, a Direct TV receiver and a battery back up.

Next forward behind a hinged door is the full beam galley to port with a U- shaped breakfast settee starboard. Again, large side windows offer great ambient lighting.

Galley Equipment:

- Kitchen Aid side by side refrigerator with water and ice in door
- Frigidaire cooktop 4 burner
- Dinette with leather seating and table with slide outs

- Custom silhouette blinds and valances
- Under counter mounted TV
- Custom overhead light fixtures
- Whirlpool microwave
- Kitchen Aid dishwasher
- Whirlpool trash compactor
- Frigidaire full size oven
- New Amtico flooring
- New pull out spray faucet and cabinet hardware
- Under mount stainless steel sink
- Corian counter tops
- (11) Cabinet doors
- (4) Drawers
- U-shaped breakfast settee

Next forward behind a hinged door is the full beam pilothouse with a large centerline helm, two person helm seat, port and starboard sliding wing doors and comfortable steps to the spacious flybridge.

Pilothouse Equipment:

- Robertson AP 300X autopilot
- ICOM VHF radio 126DSC
- Furuno 1525 72 mile radar
- Naiad stabilizer controls
- Dockside phone/intercom system
- Full Caterpillar LCD gauges
- Raytheon loud hailer
- Backup Garmin GPS 2206
- New Amtico flooring
- New upholstery on helm seat
- Rebuilt 6" Ritchie Magneto compass
- New hailer speakers
- New 2013 Garmin 5215 touch screen GPS plotter with engine room cameras
- ACR Searchlight
- 2 Storage cabinets in pilothouse
- Main electrical switch panels in pilothouse
- Hatteras alarm system
- Stainless steel Destroyer wheel
- (3) Wiper controls
- (2) Chart drawers, 4 cabinets and foot rest under helm seat

- Comfortable steps to flybridge

Going down the forward accommodation steps The VIP is forward, with its head with two access doors also serving as the day head. The head has a molded sink with storage below, Galley Maid toilet and a stall shower.

The forward VIP has an island queen/double berth with storage below, drawers, a small hanging locker and a 26" Toshiba LCD TV with built in DVD player and a Direct TV receiver with a battery backup.

The next cabin aft has upper and lower berths, a hanging locker and a private head with a stall shower, Galley Maid toilet and a molded vanity top with storage below.

Aft and down four steps is the yachts laundry area with a stacked Whirlpool washer/dryer center followed by an access door to the mid ship VIP.

This cabin has a fore and aft queen size island berth, two hanging lockers, a 26" Toshiba LCD TV, DVD player, and a Direct TV receiver with battery backup. Double nightstands and several drawers within the cabin is access to the mid ship VIP head behind a mirrored door. This head has a Galley Maid toilet, a large molded vanity top with storage below and a Jacuzzi tub with a hand held or wall mounted shower fixture and a sliding tempered glass door.

Unusual in this vessel is the forward engine room door that allows one to walk through the engine room to access the engine room from the fore or aft accommodation stairs.

Down a separate set of stairs in the Salon is the private Master cabin. A king size berth is centerline with a soffit reading lights above. Four drawers below the berth offer storage. Forward to port is a large walk in cedar lined, auto lit, closet.

Forward to starboard is a vanity with a Toshiba 32" LCD TV above. To both port and starboard are nine drawers with port lights above covered with Roman shades and pleated shades behind. Also, in this cabin is a Pioneer AM/FM/CD/DVD entertainment system with IPod auxiliary input, a Direct TV receiver with a battery backup. The bedspread, shams, window treatment and carpet are newly installed.

Either side of the berth are access doors to his and her heads, separated by a large Jacuzzi tub to port and a connecting stall shower to starboard. This arrangement is much improved over the 200 gallon large center tub which robbed the water supply and was hard for the water heaters to keep up with.

Each head has a Galley Maid toilet a molded vanity top with storage below, medicine cabinet storage and plenty of mirrors.

Flybridge

- Switlik 8 man life raft
- New Kenyan electric grill under corian cover
- New canvas covers for all seating, chairs, console tender
- U Line refrigerator and icemaker
- ICOM VHF radio M412

25. Salon new Bluetooth adaptor. 6 new speakers and sub woofer.
26. New wallpaper in crew quarters head.
27. New Scotsman refrigerator on aft deck.
28. New Masland carpet throughout.

Remarks

Early in her life this Hatteras Motor Yacht was transformed from a 70' Cockpit Motor Yacht to a 74' Hatteras with a full aft deck, extended boat deck above, and very functional Lazzarette below. Most recently she has been extensively refit both mechanically and electronically as well as redecorated in a casually elegant nautical style. New Masland carpet throughout, new Amtico flooring in the pilothouse and galley combined with Kravet, Sunbrella and Tommy Bahama outdoor fabrics and soft goods creates a tasteful, practical and comfortable interior and exterior spaces designed for entertaining family and friends.

Exclusions

Exclusions are to include but are not limited to owner's personal belongings. A detailed list of exclusions available upon written request at time of sale.

Exclusions

Owner's personal belongings.
