## Overview

---

With comfortable accommodation for 7 guests and a Rolls Royce Kamewa water-jet driven propulsion system, DOLCE VITA II is the ultimate toy in the fast performance motor yacht range.

The vessel benefits from a hydraulically operated sun roof in the upper salon and comfortable lounge seating with office facilities in the lower salon.

There was a complete refit done in 2014 including brand new waterjets!

Dolce Vita II is one of the best yachts for the Florida & Bahamas area due to her small draft... you will be able to sail around shallow areas and enjoy from her luxury and comfort.

## Accommodations

---

"Dolce Vita II" Sleeps 7 in Owner's party in 3 staterooms, plus crew accommodations for up to 2 in 1 cabin.

## Walkthrough

---

Boarding from the aft passerelle, the bridge deck beckons guests to relax and get ready for fun! A number of seating and lounge options are offered by the fully equipped wet bar. The large sun pad aft accommodates the sun worshipers while removing the center cushion accesses the custom Japanese style hibachi grill.

The factory hardtop provides relief from the elements while offering open views of the surroundings. With dinette and lounge seating, this area is ideal for enjoying meals and at the touch of a switch, the expansive moon roof opens to create an alfresco experience. The helm station is forward to starboard and grants an extensive array of navigational equipment to ensure safe and uninterrupted cruising in all weather.

A curved stairwell aft of the helm allows access to the main salon and guest accommodations, finished in a high gloss dark cherry paneling. The salon is equipped with large vertical port lights in the hull sides, bathing the interior with natural lighting and offering views seldom attainable on sport yachts. The u-shaped sofa is to port with end tables and coffee tables that can convert to a single table for dining. To starboard the convenient entertainment center includes a 42" plasma screen TV, along with an owner's office/desk and bar offering all the amenities of home.

The galley is further aft and to port and includes all the necessary appliances and equipment to pleasure the most discriminating chef. The crew quarters are to starboard with over/under twin bunks and en suite head with shower. A water tight door separates the galley and crew cabin area and the engine room. Guest accommodations are forward of the salon. The port Guest Stateroom features twin lower berths and the starboard VIP Stateroom features a queen berth. Both offer an entertainment center, hanging lockers, night stands and luxurious en suite baths with stall showers. Further forward the Master Stateroom offers spectacular accommodations in a queen, center line berth, hanging wardrobes, vanity, desk, and entertainment center complete with mini bar, his and hers en suite are forward, separated by a circular stall shower. The foredeck is accessed by comfortable side decks and provides a huge sun lounge and folding sunshade.

Wide steps in the transom are for excellent access to the swim platform and water sports.
