The main saloon is evocative of a sophisticated Edwardian gentleman's club complete with modern comfort and technology. It is also is an ideal place to sit back and enjoy a glass of wine.

Mar-y-Rosa comfortably accommodates four in two staterooms. The master stateroom has a queen- sized bed (5' wide) and en-suite heads.

Mar-y-Rosa retains the integrity of an Edwardian motor yacht, but makes no compromise on comfort or convenience and is equipped with all the up to date equipment you would expect on a modern yacht.

## Owner's Remarks

---

After working more then 30 years in marine services, it was always my dream to have my own charter yacht. The refit was put together with many years of experience and was completed in 2007

Due to deteriorating health, it is with regret that I have had to put the boat up for sale. Mar-y-Rosa is one of the best examples of a robust sea kindly yacht on the market today. My experience has all ways been that she performs very well at sea and she also has a nice feeling of safety, together with high solid bulwarks, her stabilizers make a real pleasure cruising on her.
