BLACKHAWK is a captain maintained three stateroom enclosed bridge with a full tower and well equipped for tournament fishing or comfortable cruising-underway, dockside or at anchor.

Prior to the current owner buying the boat, BLACKHAWK was delivered to Viking Yachts in New Jersey to under-go gel coat repairs do to a gel coat product recall. Following the recommended modifications the vessel was painted from the rub rail to the flybridge hard top with Alexseal, a German made product similar to Awlgrip. The exterior finish is in excellent condition and there are no signs of crazing.
