About SEA SHARP

Sea Sharp is a rare find in the Albin TE with heated and cooled , hard enclosed wheelhouse, generator, and 3' flag mast atop wheelhouse. The flag mast provides all of the safety lights for navigation as well as two down lights for the deck.

Sea Sharp is one of very few of this model with hard doors rather than a canvas enclosing the wheelhouse. It is loaded with "big boat" features and has had excellent care. Extras, like the extended canvas over the aft deck and full electronics package, coupled with a generator and air conditioned helm area, make her a pleasure to operate. **Sea Sharp** is the best value of any on the market. She is a freshwater jewel with the best of care.

Accommodations

The forward cabin area has a dinette with a high/low table that converts to a queen-size berth. Opposite this berth is a full-size enclosed marine head with shower, vanity, and mirror. The Crown head, sea water flush, includes Y-valve and macerator. There is accent and courtesy lighting throughout. Six upgraded stainless steel opening ports and one overhead hatch provide excellent natural light and ventilation.

- Interior has fine wood appointments

- Guest Berth 6'3" x 3'10", aft galley area
- Screen for hatch
- Settee & berth cushions feature high-density foam.
- Indirect lighting
- Additional storage cabinets – port and starboard
