DETAILED INFORMATION

Marlow 37 Havana Overview

The Marlow Prowler Havana is the newest edition to our Prowler Series. This high-tech, high-qualityyacht with timeless lines, is perfect for those who want to cruise in style either offshore or inshore. Havana's sleek profile and its flag-blue and oyster-white coatings is stunning to look at. We don'tknow of another builder who has come close to the quality of material and workmanship that the Prowler Havana represents.

The proprietary RIVAT system of production elevates composite yacht building to a level unknown byall but a few builders worldwide. Prowler Yachts are built at Norsemen Shipyard along side the Marlow Explorer Series. Norsemen Shipyard is an environmentally conscious facility featuring thevery best in advanced tools and machinery, computer systems and a talented workforce trained bysome of the top master yacht builders in the world in every department.
