DETAILED INFORMATION

Accommodations

Master Stateroom The master stateroom features a walk around Queen berth with a full array of drawers and lockers below (all with European push lock mechanisms), a 20" Sharp flat screen television with DVD player on the starboard side, hanging lockers on port and starboard and a port side vanity with mirror. Also included is an individual volume control knob for the wall speakers. The large private ensuite head includes an over sized stall shower.

Guest Stateroom The Guest stateroom features a Queen berth against the starboard hull, a hanging locker and a 20" Sharp flat screen television with a DVD player.

Guest Stateroom Bunk This third stateroom features upper and lower berths, a full size hanging locker and a combination clothes washer/dryer. All staterooms offer excellent quality fabrics and carpeting throughout. The new headliner is a very light beige high quality marine grade vinyl and the cabinet furniture throughout is ash wood finished with Ralph Lauren Regent Metallics Brun luxueux. Lighting is indirect and direct halogen with custom European fixtures. All three staterooms and the salon have their own air conditioning controls with temperature and airflow capacity.

Each stateroom offers portholes for ventilation and light with custom screens for fresh air and blinds for privacy. The bathrooms are huge in size with high quality Raritan heads; under-mount sinks built into Corian counter tops and the floors are a wood grain material accented by gold inlay striping and over sized shower stalls.

Galley & Salon

Galley All of the appliances were installed new in 2006. Two below the counter Jenn Air refrigerators. Chest freezer in lazarette Convection/Microwave Jenn Air oven Ceramic Jenn Air stove top Various cupboard and drawers provide very ample storage space.

Salon The salon features a U-shaped ultra leather couch, custom coffee table, storage space on the port side with built in bar unit, AM/FM DVD CD with 4 surround sound speakers by Sony and sub woofer below cabinet for full bass sound. The entertainment center also includes a 27" Sharp flat screen television with a VCR/DVD and AM/FM CD cassette. The windows are tinted security glass in bronze anodized frames. The door is white anodized aluminum framed with the same tinted security glass. Neptune's Lady is accented with Ralph Lauren Regent Metallics Brun luxueux finish ash wood; ceiling and wall coverings are done in the very light beige high quality marine grade vinyl and the carpet is a neutral tone with green and blue nautical runners.
