DETAILED INFORMATION

Dimensions

LOA: 43' (13.1 meter) LWL: 37' (11.3 m) Beam: 14' 1" (4.3m) Max Draft: 6' 3" (1.9 m) Ballast: 8,500 lbs (3855 kilo) Displacement: 28,000 lbs (12,701 Kilo)

Vessel has shown speed exceeding 10 kts under sail

Engines

Yanmar Diesel - 4JH3-TE 75 HP (2770 hours)

Generator: Fischer-Panda 6000 - 6 kw (1750 hours) New 2006

Tanks

Fuel: 120 gal (454 ltr) Fresh Water: 140 gal (530 ltr) Holding: yes

Accommodations

Vessel has 2 private staterooms, each en-suite with head and separate shower. MASTER: -- Master stateroom is aft and occupies the full width of the vessel. There is a centerline Queen berth with settees to either side. The stateroom has His & Hers hanging lockers Port & Strbd, as well as additional lockers, drawers and cabinet space. It also has wood counter tops above the cabinetry for display of personal items - Port & Strbd, vanity, and bookshelves, Port & Strbd. There is access to the private head with separate stall shower. Light and ventilation is provided by opening ports to Port, Starbd and aft, as well as 2 small opening hatches and one large opening hatch (which is also an emergency escape hatch).

GUEST:-- The guest stateroom is forward and features a dual entry head w/ stand up shower. The Head is either private to the guest stateroom, or can be entered through a second door from the companionway, and used as a day head. The guest cabin features a centerline double berth with hanging locker, drawer storage, and book shelves. A large overhead hatch provides light and ventilation.

- Fully air conditioned w/ (2) Cruisair reverse cycle A/C Systems - 16,000 BTU and 10,000 BTU
- (2) Cruisair SMX II digital control systems
- (10) dual speed Hella fans
- Webasto Air Top 3500 diesel heater
- Splendide Comb-o-Matic 2000 washer/dryer (not guaranteed)

- Solid storm shutters for saloon

Walk through

Vessel is entered from the comfortable cockpit to her spacious Saloon. The Saloon becomes a bright and airy focal point of the vessel with her large windows facing forward and to Port & Strbd, and opening overhead hatches for ventilation. This is the beauty of the DECK SALOON style of this vessel. A large oval dinette is to Port with curved settee, and custom storage cabinetry is to Strbd in the Saloon. There are numerous additional storage cabinets and bookshelves. The sit-down Nav Station is in the forward part of the Saloon to Strbd and faces forward. Moving forward from the Saloon is a companionway leading to the forward guest cabin. The "day" head opens to the companionway. Opposite the head, to Strbd, is a washer dryer unit in a closed cabinet. The Galley is immediately to Strbd of the companionway steps, and is convenient to the cockpit. Moving aft through the Galley is the entrance to the Master cabin with private head & shower. This cabin provides a very private and secluded space away from the Saloon and entertainment spaces. The entire interior is finished to "yacht quality" standards with superior joinery and woodwork throughout. There is a Teak & Holly floor and finished grating in wet areas. Overheads are white to lend a bright feeling to the interior, and provide a contrast to the rich wood-work. There are numerous opening ports and hatches for ventilation.

Galley

The Galley is a chef's delight with large counter spaces to either side, and numerous storage cabinets and lockers, both above and below the counters. The sink is inboard, near the centerline of the vessel, and there is a gimbaled 3 burner stove with oven. The refrigerator has front access, and there is a separate freezer. The galley is well lit from the large windows, with additional opening ports, on either side of the galley space for additional light and cross ventilation.

- Sea Recovery Ultra Whisper SPC 400 UWM 17 gph (63 lph) watermaker
- Frigoboat fridge with front access
- Frigoboat freezer, top loading
- Triton 3 burner stove with oven
- GE sub-compact 600W microwave oven

- Spur brand rope cutter
- Automatic fire suppression system in engine room
- Heavy duty - YACHT QUALITY - sound insulation in engine room

Deck & Hull

The large center cockpit affords excellent site lines 360 degrees around the vessel. It has a central steering pedestal, with full instrumentation, and full length seating. Her wide comings surrounding the cockpit afford additional seating, and give a secure feeling. All sail controls are within easy reach of the helm, making this an easy vessel for single handed sailing. The cockpit is protected by a custom Bimini top with oversize structural supports, and a dodger. This vessel has wide walk around decks, and her inboard shrouds allow for easy passage fore and aft. There is teak deck that is bonded to the fiberglass deck. This has been done with the latest technology used on current mega-yachts to provide the superior non skid as well as insulating quality of teak decks, without the problems of a screwed-down deck. It also provides a beautiful contrast to raised cabin sides and hull.

- All FIXED SALON WINDOWS REPLACED - NEW 2012
- Fin keel with bulb, spade rudder. Hull/deck joined with s/s bolts and fully fiberglass laminated
- Teak deck - BONDED -NOT SCREWED DOWN - EXCELLENT CONDITION

Broker's Comments

This exceptional quality BLUE WATER performance cruiser in excellent condition is an original owner vessel and is now available for her next discriminating owner. She was built by one of Europe's finest Boat Yards who have been building high quality vessels since 1973. This shipyard, in Barcelona, Spain; has built their fine reputation in the 13 meter-22 meter (40-72 ft) range of sailing yachts, by launching over FOUR HUNDRED vessels in their nearly 40 year history. The yard is a semi custom builder and only produces 6-10 yachts per year - each built to exacting standards. Please feel free to see more information on this fine builder at: WWW.NORTHWINDYACHTS.COM This is an rare opportunity to own an exceptional vessel at a fraction of her replacement value - Please contact the listing broker immediately!
