# DETAILED INFORMATION

---

## Description

---

Modern lines and a proven hull grace this comfortable 2-stateroom interior, which features an innovative split head plan with a dry head and vanity to port and a separate stall shower to starboard.

The cherry wood salon offers a convertible sofa and plenty of room to entertain. The oversize flybridge with pilot, companion and guest seating rounds out this value-packed model.

Silverton engineers along with the help of noted designer Donald Blount & Associates have created an easily driven hull that performs well with smaller displacement engines providing better economy and increased range.

Shallow propeller tunnels have lowered the drive angle to increase efficiency and reduce the draft as well.

Silverton's evolution of design and 35 years of experience will deliver the best 34 Convertible ever and at a price that will make it irresistible.

## Exclusions

---

Owner's personal belongings.
