SPECIFICATIONS

Overview

This Century is a very practical, well-equipped walkaround for fishing and overnight cruising for the family . It has full electronics, a fishing tower and a wide rear deck, and a 32 gallon live well with salt water plumbing for fishing. The interior has berths for 4, and a vacu-flush head . The interior needs cushions for the berths,(the owners have not overnighted for 2 years), and the owner is willing to give a price reduction for this,to allow the new owners to pick out their own style and color of cushions. This boat is ready to fish and cruise. There is a brand new trailer included

This is the least expensive Century 30 Walk-About on the market. The price of \$21000 is an "as is" firm price.
