SPECIFICATIONS

Overview

Two boat owner, price reduced for quick sale!

This flagship express cruiser sports many standard and optional upgrades to satisfy your lifestyle underway. Bountiful seating topside is complimented by comfort in the cabin. Some of the cockpits standard features include deluxe berber carpets, u-shaped cockpit seat with fiberglass lined storage, double helm seat with standing driving position system, and a cockpit refreshment area with bar. The fiberglass retractable arch makes it easier to transfer your boat to the next shore or pass under low overhead bridges that others can only turn tail and run from. See "Full specs" for a complete list of upgrades.
