SPECIFICATIONS

Overview

The owner is motivated and looking for an offer!!!

This exceptionally clean 330 Express Cruiser puts spaciousness and luxury at your command. She has always been a very popular model, thanks to her sleek sporty lines, spacious cockpit with seating for eight, and well-appointed cabin. Recently rebuilt twin Mercruiser 7.4 engines w/140 hours, coupled with a very well designed deep V hull provides operational economies. She comes with a generator and a cold AC system, upgraded sound system, new custom seat covers, and a recent canvas enclosure with clear Eisenglass along with a freshly painted bottom!

MAKE AN OFFER NOW! OWNER WANTS HER SOLD!!!

ADDITIONAL SPECIFICATIONS

Accommodations

Enter the cabin through an extra-wide near-centerline sliding hatchway. This open room provides an immediate feeling of comfort and spaciousness. The galley is located at the base of the stairs, with plenty of cabinetry, deep sink, large refrigerator, stove and open countertop area.

Opposite the galley, and wrapping around the aft bulkhead and extending along the full length of the starboard side of the salon, a comfortable settee serves a dinette as well as a convertible sleeper. This settee is large enough to seat six or seven adults, with legroom to spare!

Forward of the galley, to port, with entry from either the salon or the forward stateroom, is the Vacuflush head compartment, w/ vanity and shower.

Fully forward, the master berth is positioned to utilize the width of the bow, making for a wide, comfortable berth, brightly lit by a large hatch overhead. You will also find a large hanging

locker, storage shelves and a convenient single settee.

No builder finishes the interior appointments better than Sea Ray. You will find that plenty of well-placed mirrors, mini-blinds, direct and LED accent lighting, light wall-coverings and sturdy hardware all add to the luxury and high quality of the 330 EC.

- 12,000 BTU Air Conditioning w/ Reverse Cycle Heat

- Engine Room Lights
- Seawater Strainers
- Radar Arch

The 330 Express is one of Sea Ray's most open designs, with an ideal combination of usable cockpit space and a clean, spacious cabin layout. The exterior lines are distinctively Sea Ray, with an integrated bow pulpit & swim platform and swept back arch defining the crisp profile of the 330.

Taking full advantage of a stable 11' 5" beam, the 330 EC features a wide cockpit bench seat, extending nearly the full width of the transom, but allowing room for a convenient transom door for swim platform access. The helm seat is double-width, with a comfortable aft-facing bench built in behind. To the portside, a single companion seat sits atop a storage base.

The cockpit area is enclosed by convertible top, side curtains and aft cover.
