---

# DETAILED INFORMATION

---

## Accommodations

---

**BELLE ISLE** provides accommodations for up to 8 guests in 4 staterooms. The cabins include a king master, queen VIP and two twin cabins.

## Walkthrough

---

All the interior woodwork is created of natural colored oak with solid wood used in the construction of her cabinetry. Walls, floors and furniture are all made in a similar finish, providing Belle Isle with a clean look and spacious feel. The dining room is divided from the saloon area by a small cabinet with retractable television, thus separating the area without spoiling the open sight lines. The dining area has sideboards on both sides, with subtle polished stainless steel accents that complement the simple design. The galley can be found on the port side off the dining room. A small day head is located forward to starboard where stairs, doors and companionways meet. Here the Columbus 90 once again provides more space than expected. Some of the most important features of the yacht are the main stateroom with adjoining spa bath. All-around windows provide excellent views, and the green linen-lined ceilings and walls provide warmth. A few steps below into the bow, guests will find a large and luxurious spa bath, including tiled tub, 'his & her' vanities featuring Arabasco marble, and a large skylight. The full-beam VIP cabin is located on the lower deck with a natural colour scheme and features a roomy en-suite with 'his & her' vanities and bathtub. Two additional twin cabins are located forward of the VIP cabin. Both cabins boast en-suite heads finished in Chinese marble. The crew quarters aboard explorer yacht Belle Isle can be found at the aft end of the lower deck, just aft of the engine room and next to the laundry facilities. There is a spacious captain's cabin with en-suite, and a second crew cabin with twin bunks, and an en-suite. The quarters also feature a small galley and dining area. The sun deck area features a seating area and table, perfect for relaxation in privacy. The large top deck of Belle Isle can easily be transformed from a day-time play area to an elegant alfresco dining space. There is also a small tiled Jacuzzi and a barbecue.

## Mechanical and Engine Equipment

---

- (2) x Caterpillar C18 main engines. Hours: Port 2,767 Stbd 2,782 as of May 2016
- (2) x Caterpillar 55kw generators. Hours: Port 4259; Stbd 4,280 as of May 2016

---

- 4.7 Meter Zodiac Tender
- Fully tiled Multi Jet Forum Spa Pool

## Features

---

**BELLE ISLE** features a full displacement steel hull and aluminum superstructure, with teak decks. She was built to Lloyds Register classification society rules, and is MCA Compliant. **BELLE ISLE** is equipped with an ultra-modern stabilization system which reduces roll motion effect and results in a smoother more enjoyable cruising experience underway. This luxury yacht is also fitted with at anchor stabilizers, increasing on-board comfort when the yacht is stationary.

## Remarks

---

**BELLE ISLE** has a sleek modern, lithe theme. Intricate tasteful details like stainless

steel trim set against limed oak underscore the luxury this yacht offers. **BELLE ISLE** can compete with any yacht as a floating entertainment venue for guests who are seeking some fun in the sun. On the spacious sundeck, guests can find an outdoor steering station, Jacuzzi and sun lounges, which create a day-time play area complete with a barbeque and refrigerator. At night it can easily be turned into an elegant outdoor dining area under the canvas bimini. Her true role is being an adventurer, going deeper into areas that most other yacht owners can't explore. The yacht has an impressive range of 4,000 nm at a cruising speed of 8-9 knots and a maximum speed of 12 knots. She meets the MCA safety standards as well as Lloyd's classification, adding to her value as a charter yacht. **BELLE ISLE** boasts a very large engine room to house her twin 479 hp Caterpillar engines.

## Exclusions

---

Owner's personal belongings.
