Fuel Type: Diesel	

DETAILED INFORMATION

Overview

Match Point was delivered by US superyacht yard Christensen in 2009 as the forerunner of the popular 160 series from the yard. She is ABS classed and MCA compliant. Her sleek exterior styling, executed by the highly experienced in-house Christensen design & engineering team, combined with an interior décor by Carol Williamson & Associates, have created a world class ocean-going motor yacht.

Match Point can comfortably accommodate 12 to 16 guests in six staterooms. The full beam master suite is located forward on the main deck and is complete with his and hers bathroom as well as a private study. There is a full width VIP together with four guest staterooms below, all fitted with en suite bathrooms. Other features include a heli-pad and an elevator to all four decks and two 1,800hp MTU engines give her a cruising speed of 14 knots.

Accommodations

There is a full beam VIP suite along with (4) Large guest cabins located all on the lower deck. Each cabin has its own en suite bathroom and shower. The VIP boasts a beautiful marble bath tub. The two forward Cabins have Pullman berths.
