# SPECIFICATIONS

---

## Overview

---

The Yellowfin 42 features a stepped-hull design which introduces air onto the running surface, reducing friction and enabling her to effortlessly cruise at 37 knots. She has had a full time captain since the day she left the Yellowfin factory and her condition reflects the level of care she received on a daily basis. She features an extensive Simrad/Garmin electronics package, custom tuna tower, diesel generator, custom hull color, triple 350FS Yamahas and much more.

2/2015 Bottom Paint and Complete Compound and Wax
