## Overview

---

2000 32' Regulator Center Console with half tower and Marlin Station, powered by 2012 Yamaha 250 HP four strokes with "less than" 70 engine hours and factory warranty till June 2015. This lift kept Regulator 32 is a serious fishing machine. With a 24 degree deep-vee hull makes this an excellent performance offshore fishing boat.

The Regulator 32 Center Console features a 32-foot length reinforced with Core-cell sides and a heavy duty Klegecell transom. The Regulator 32 offers extraordinary out-of-the-hole performance, along with remarkable cruising and wide-open throttle speeds, backed by twin 250 Yamahas. And don't miss the Regulator 32's special details that make fishing an absolute pleasure: generous dry and wet storage, user-friendly console, long-range fuel and fresh water capacity, dedicated standup head compartment, locking rod storage, waist-level aft livewell, a 10-foot 5-inch beam, an in-deck anchor locker, and a walk-through transom door.

# DETAILED INFORMATION

---

## Accommodations

---

Boarding is accomplished by stepping onto the gunwale and onto the large aft cockpit deck where you are surrounded by 360 coaming pads, transom door, transom livewell, transom ice box, bilge access hatch. Looking forward is an extensive tackle center with tackle storage on the aft and both sides of the rocket launcher with a fresh water sink. Moving forward is the center console with helm and operator controls, windshield, navigation electronics and VHF radio.

Starboard side of console is access door to the standup head, fresh water sink, and access hatches to wiring and backs side of the electronics. On the forward side of the center console is forward facing seating with ice box under the seat. On both sides of the center console is in deck storage with deck hatches. The deck area forward of the center console has an in deck fish box and additional in deck storage. The bow has an anchor locker. Access to the upper control station is made by climbing the half tower from either port or starboard gunwale just aft of the center console. The upper control station has full operator controls and a VHF radio, Bimini top, and superb visibility.
