# DETAILED INFORMATION

---

## OVERVIEW

---

The Cantiere delle Marche 'Nauta Air 96' is the middle size in the Nauta Air line of pocket explorer yachts.

The 'Nauta Air 96' is a new construction project that is extremely diverse offering clients a top speed of 13 knots, a cruising speed of 12 knots, and a crazy large 7,500nm range at a fuel efficient 9 knots.

Her aluminum hull adds efficiency in design while allowing for a large interior volume that can sleep up to 12 guests in 5 cabins + separate crew accommodations. Large volume at 216 gross tons assures you that you can put the 7,500nm range to use confident that she can go anywhere without restrictions in her abilities.

Designed by the world famous Nauta Yacht Design she is a ground breaking design that has already proven to be a great success.

Additional information available upon request.

## SHIPYARD MISSION STATEMENT

The organizational structure of the Cantiere delle Marche Shipyard is flexible and highly skilled, thanks to a team that has designed and built thousands of meters of steel and aluminium ships in leading shipyards, both in Italy and abroad. On the strength of this wealth of know-how, plus its long-term relationships with the industry's leading professionals, the Cantiere delle Marche Shipyard is capable of working alongside its clients throughout the design, development and construction of any steel or aluminium yacht, guaranteeing attentive management of each phase of the effort by teams assigned to that particular project, so as to ensure the top-flight quality and production excellence typical of all the Shipyard's vessels.

## CdM- AWARDS & MARKET STATISTICS

- CdM has sold an average of one boat every three months since January 2011
- CdM represents 60% of the relevant market segment (explorer vessels between 80 and 112 feet)
- CdM represents 12,5% of the Explorer Vessels of any size material and sort, worldwide
- CdM has won just three years after its start up the World Yachts Trophy in the Best Achievement category
- CdM has won the IY&A Award in 2014
- CdM has been finalists in many other awards worldwide
- Turnover, Value of Production and Ebitda have grown double digit in the last three years
- Backlog is now going to 2018
- Two new product lines are in the pipeline

## Exclusions

Owner's personal belongings.
