Interior & Galley

The elegant, teak interior is bright and cheerful with ultra leather and fabric upholstery. A feature of the Deck Saloon models is the generous use of natural lighting and open space making time spent below decks comfortable and pleasant. All new interior LED Lighting! The DS feature also adds to the overall interior volume of the cabin area which is enhanced with a "creamy white" headliner. Large windows flood the interior with natural light and cross ventilation, *plus* - outside viewing while seated. The main saloon has a large U-shaped settee to starboard with a magnificent teak table that converts to a double berth for additional guests. The nav station/office is aft to port with the L-shaped galley aft to starboard. Check out the impressive "beverage" locker just forward of the nav station.

Broker Comments

Jeanneau did everything right with the Deck Salon's southern European styling. Great Performance - Bright and spacious with plenty of storage. New LED Nav lights and interior lighting. When you step aboard **meticulous care and maintenance is obvious**. All exterior "Bright Work" is in perfect condition. Promise is for anyone wanting a clean "like new" vessel that can take you anywhere.
