SPECIFICATIONS

Overview

The OTAM Millennium 45 sets the standards for express yachts with a blend of sleek styling, exhilarating performance, and luxurious accommodations. Sport yachts of this size are designed to utilize their size to match their comfort with their performance.

This OTAM Millennium 45 features a lavish interior and airy cockpit. The aggressive yet obedient design insures you will not blend in with other vessels.

On deck is a large cockpit with lounge seating and a spacious sun deck. Proving that style, luxury, and performance are of most importance.

Below deck is an open salon that can be custom designed to meet the desires of any buyer. Lavish accommodations, full galley, and luxurious salon seating provide a break from the sun with room to entertain or unwind.

You have your choice of Volvo or Caterpillar engines up to 1015 horsepower. IPS or ASD 11 surface drives convert all that power into performance with a top speed of 54 knots. The engine compartment is expertly insulated to provide a quiet and comfortable interior.

The resulting design has provided OTAM with a yacht that has an incredibly smooth and responsive ride. Vessels & Photos featured are examples of the fully custom OTAM yachts delivered to happy clients. No single OTAM is equal to another. Fully custom to your taste & desires.
