Overview

The Sea Ray 390 Motor Yacht is a timeless classic, built with the legendary Sea Ray commitment to quality and style. Powered by the upgraded Cummins 480CE Diesel Inboards with Smartcraft Diagnostics, this fully equipped craft features two full staterooms and heads, a full electronics suite, aft deck and helm A/C, washer/dryer combo, central vac, and much more! The 390MY was the first of the Sea Ray designs to incorporate a full glass windshield from the deck to the hard top which is now the industry standard.

This great Sea Ray is ready to go cruising! Fresh bottom paint, new cutlass bearings, props tuned, , new hoses throughout, A/C units serviced, up to date engines service, etc... she has just been totally gone through and is ready to go! **Specs** Hull Shape: Modified Vee **Dimensions** Beam: 14 ft 3 in Maximum Draft: 3 ft 0 in Deadrise: 15 ° at Transom Dry Weight: 26500 lbs **Engines** Engine 1: Engine Brand: Cummins Engine Type: Inboard Engine/Fuel Type: Diesel Engine Hours: 1370 Engine(s) Total Power: 480 HP Engine 2: Engine Brand: Cummins Engine Type: Inboard Engine/Fuel Type: Diesel Engine Hours: 1370 Engine(s) Total Power: 480 HP **Tanks** Fresh Water Tanks: (100 Gallons) Fuel Tanks: (300 Gallons) Holding Tanks: (54 Gallons) **Accommodations** Number of single berths: 4 Number of double berths: 1 Number of cabins: 2 Number of heads: 2

Manufacturer Provided Description

Combining intelligent features with sensible styling, the 390 Motor Yacht offers a great deal more than a pretty face. You'll enjoy her impressive, roomy interior, smart engineering, ample sleeping accommodations and breathtaking cockpit view. And her optional twin 480 hp Cummins Diesels inboards power this 39-footer to her destination with ease. Step aboard and you'll quickly see why the 390 Motor Yacht is the new standard in its class.

Accommodations

The Sea Ray 390 Motor Yacht represents one of the most versatile layouts of any production model in this size range. The expansive interior volume features two staterooms on opposite ends of the boat, allowing for maximum privacy for both owners and guests.

Combining intelligent features with sensible styling, the 390 Motor Yacht offers a great deal more than a pretty face. You'll enjoy her impressive, roomy interior, smart engineering, ample sleeping accommodations and breathtaking aft deck view. Step aboard and you'll quickly see

why the 390 Motor Yacht is the standard in its class!

Entry to the Aft Deck is made via the transom swim platform up a few steps or through the port and starboard doors. This area will amaze you as you are provided a full 360 degree panorama of the surrounding landscape...in full air conditioned comfort. There is plenty of seating for you and your guests and entertainment is made easy by the wet bar complete with sink, storage and refrigerator. Weather too good outside to miss? Simply roll up the aft canvas and isenglass enclosure or just open the port and starboard doors to get a rush of fresh air. Do not worry about storage here, there is plenty underneath the seats.

Moving forward to the helm area, you are provided and commanding view, comfortable adjustable helm chair, and full electronics at your disposal. The fully enclosed windshield is truly unique in a vessel of this type, it was rare in this vintage but now the industry standard. It provides less maintenance and clearer visibility, but it will never feel stuffy thanks to the A/C and 3 openings to provide plenty of fresh air if desired.

Going into the main cabin, the Salon is a socially warming area with large comfortable facing sofas surrounded by rich cherry wood appointments and a convertible dinette/coffee table. Feel free to spread out and relax with a cold drink, there is plenty of space to do so. The entertainment center with flat screen TV will keep you occupied after those long days on the water. The Starboard sofa even pulls out to convert to a berth should you have more guests aboard.

The full beam master stateroom located in the aft end of the vessel offers a full double berth with separate shower and head compartments with the vanity in the middle. This master is very large for a vessel this size and makes extended stays on the boat easy and accommodating. There is also plenty of storage, from dual cedar lined closets to multiple drawers to a large storage area underneath the bed. A little mentioned but very important feature here are the independent A/C controls that allow you to stay comfortable in your private domain.

The unique forward VIP stateroom by day provides ample floor space and storage for guests to change from swim suits to social attire with ease. By night, the port single berth becomes a lounge chair and the starboard single converts to a double berth, allowing you to have a versatile platform for housing guests. She also features and independent A/C control so your guests will feel comfortable and at home. There is a full size double entry head with separate shower for your guests comfort as well.

In summary, this is one amazing vessel that packs the features of a much larger yacht into a manageable size. You will feel right at home staying aboard in total comfort, why compromise when you can have it all!

Salon

The beautiful Salon is spacious and bright and will will make you and your guests feel at home!
