SPECIFICATIONS

Overview

JAMALUI is one of the best Leopard 27 series in the market right now. Sexy, good looking and with a perfect layout to live on. Built in 2000 and with refits done in 2005 and 2009, this successful Arno construction has been always maintained at the highest standards by the same captain since new. Only one owner and never offered for charter ensures a low usage of the yacht and an optimal condition of the equipment.
