Description

This big yacht, flagship of the Jeanneau fleet, represents the most accomplished shape of innovative architecture. Conceived by two designers of large yachts : Jacques Fauroux for the performance side and Vittorio Garroni for the comfort aspect, and project-managed by the Jeanneau design office, the Sun Odyssey 54DS offers a sailing programme designed to give a new dimension to your cruises, whether short or long haul. Her natural element is above all the high seas. Long ocean cruises in maximum comfort. The Sun Odyssey 54DS offers an extremely uncluttered deck layout, with direct access to the sea from the stern. Her cockpit resembles a vast deck lounge giving her unquestionable character. This new sleek and sporting yacht is easy to sail with a short-handed crew. She will delight the most enthusiastic skippers and their crews
