Fuel Type: Diesel

DETAILED INFORMATION

Broker Comments

The true standard of beauty in yacht design is how well an individual layout enhances your enjoyment on the water. It is measured not being just on the water, but in and around it as well. Hat-Attude is the perfect yacht for cruising the intracoastal, going to the Keys, and of course island hopping in the Bahamas. The aft deck is the best place to sit and enjoy the breathtaking island sunsets. The curved stairway to the swim platform makes snorkeling, and swimming, a breeze. This 50 Hatteras Sportdeck has been very well maintained by a very experienced owner. Hat-Attude is priced to sell. When aboard in the interior you will be amazed at the interior volume, and you will think you are aboard the new Hatteras 60 Motor Yacht. Hat-Attude is a must see if you are looking for a Spacious Quality Motor Yacht!

Vessel Walk Thru

Topside the Flybridge Layout provides room for conversation while underway, and is ergonomically designed for full circle visibility. A few steps below, the 150 square foot fully enclosed covered aft deck provides an excellent area to enjoy the views either dockside or underway. It is fully air conditioned along with a wetbar and icemaker. Just a few steps down from the aft deck the interior begins with an expansive mid-ship salon, with a U-shaped Sofa, coffee table, easy chair, and a complete audio visual center. Forward of and opening to the salon, the galley and dinette area include dining and cooking among your entertainment activities. The galley is fully equipped with refrigerator freezer, two burner cooktop, sink, and a microwave convection oven, as well as impressive cupboard and drawer space. Directly across the companionway, the large dinette table and bench seating provide ample dining space. The guest stateroom is forward, and here is a stateroom with a VIP atmosphere, roomy and well appointed. The stateroom boasts a tapered queen berth of its own, and the setting is completed by ample drawers, and hanging locker space. The room even features its own private access to the forward day head. Aft from the main salon is the very spacious master stateroom. It is appointed with a tapered queen berth, a large walk in closet, and a well lighted vanity, and private head, along with a nice shower. The 50 Hatteras Motor Yacht Sportdeck Hat-Attude provides the perfect atmosphere for all your entertaining or simply sharing good times with friends. All in all this is one motor yacht that gives you all the interior space and comfort you expect aboard a traditional motor yacht while indulging in your love of the water.
