Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Manufacturer Provided Description

Even though the Ferretti 46 is a compact motoryacht, her scale offers the comfort and safety of her bigger sisters. The performance essential to large yachts has not been missed, as this 46-foot craft is fitted with powerful Caterpillar 3208s boasting 435 horsepower each. Owners may choose whether to handle the craft alone, or if they prefer, to entrust the care of the vessel to a captain for whom there is a fully equipped crew's cabin. On board there is everything necessary for enjoying many of the benefits of a larger motoryacht while retaining the agility and maneuverability of a 46-foot craft. Life on board is characterized by a sense of refinement, whether it be from the finish of the teak in the cockpit, the view through the opening all-glass rear partition, or the convenience of the washbasin in the cockpit, and the davit for the tender.

Exclusions

Owner's personal belongings.

Disclaimer

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.
