DETAILED INFORMATION

Accommodations

The interior of the Island Packet 370 offers a dazzling display of handcrafted cabinetry, rich varnished woods, and premium fabrics and surfaces. The high quality craftsmanship and materials are apparent in every detail. An innovative blend of live-aboard comforts and practical cruising features are evidenced throughout this yacht, offering a surprising level of luxury and delivering what are perhaps the finest accommodations of any yacht in this size range.

- Teak salon table
- (6) Deck hatches w/OceanAir hatch screens and shades
- (11) opening ports w/screens
- Plus Option Package (satin varnish finish, Corian countertops, polished Stainless steel hand rails)

Salon Perfect for an evening retreat of gracious entertaining, the main salon of the 370 continues Island Packets reputation for roominess and comfort. The large main dining table folds and stows against a bulkhead rack, opening up the area for socializing. Full length port settee conveniently converts to a double berth. Generous storage is available under and outboard of the settees.

Forward Stateroom Designed with accommodations for extended cruising, the 370 is the only yacht in her class to boast large island berths in both staterooms. With plenty of elbow and headroom, cedar-lined hanging lockers, bureaus, deep drawers, wide shelves and blanket bins under hinged bunk lids, both forward and aft areas easily qualify as master staterooms.

Head Luxury and comfort have been carefully considered in this area. The separate stall shower features folding acrylic doors and an electric sump drain, and ample cabinetry storage is provided by the built-in vanity. Doors from both the forward stateroom and the main saloon provide both utility and privacy.

Aft Stateroom/Nav Station One of the more notable features of the 370 is the versatility of the aft cabin. Cleverly configured for great sleeping accommodations, this multi-use room is truly unique due to the desk area, which can be used as a vanity, a navigation station, or work station. The nav table top lifts to reveal a storage tray and a vanity mirror mounted on its underside. An electrically controlled swivel mounted seat rotates under or out with the touch of a switch, while a removable hinged panel in the forward bulkhead opens and joins this area with the salon when desired. The aft bulkhead has access to the generator

Galley The open U design of the 370 galley is notable for its generous space and numerous convenience features. Plenty of storage is available in and around the galley. Wide countertops with integral sea rails, along with dish and cutlery storage areas and a flip-up counter extension make this important area a real pleasure to use.

- Refrigeration/freezer system
- Force 10 LPG range/oven/broiler
- Microwave
- Hot & cold pressure water pump
- Slide out trash bin
- Manual fresh water pump

Galley

Galley features a large U Shaped design with teak sea rails on all counter edges.

- Keel Cooled Frigoboat Refrigeration with double gasketed lid & gas support struts. Electric drain pump.
- Gimbaleed 3-Burner Force 10 LPG Stove and Oven with lift off cover
- 101b. propane tank in gasketed self draining storage 2-tank compartment with safety shutoff and gauge
- .Pot and pan storage under the stove
- Space for Microwave Oven

- Double S/S sinks with hot & cold pressure water and Manual Freshwater Pump and Retractable Spray Unit

- 6 Gallon Water Heater

- Slide Out Trash Bin

- Teak Dish Racks, Cutlery Drawers and Cabinets and Cubbies provide good storage.

- Opening port and overhead hatch with screen and shade

Manufacturer Provided Description

The Island Packet 370 represents the combined talents of the engineering, design, sales, and marketing staffs at Island Packet, coupled with the constructive and enlightened feedback of our enthusiastic owners and dealers. Marking a notable evolution in the Island Packet family, the 370 offers refined keel shapes and a higher aspect ratio rig for increased performance, new rudder shaft and blade geometry for enhanced control under sail and power, and a watertight anchor locker bulkhead for added security. The accommodations also shine, with the ever popular island berth both fore and aft, a separate shower stall in the head, and an optional Plus Package that boasts a solid, bevel planked teak and oak sole and furniture quality satin finish varnish on all interior wood surfaces.
