DETAILED INFORMATION

Accommodations

From the aft deck, enter the main salon with a sofa, ottoman, end table and coffee table to port side and window treatments throughout.. The entertainment center is across from the sofa and includes a surround sound Bose system. Across to starboard is an ice maker, bar sink and a wine cooler. Moving forward and up two steps takes you to the open galley, dining area and the pilothouse. Down and midway below the pilothouse is the master stateroom with a walk around king berth. The master includes cedar lined walk-in closet and a roomy ensuite head with a standup shower and etched glass shower stall doors. Forward is the VIP stateroom with an island queen berth. It also has an ensuite head and stand-up shower. The guest stateroom is to port with twin beds side by side separated by a night table. The guest stateroom also has an ensuite head. The Captain- crew suite is located aft and is accessible from the salon aft stairwell or from the swim platform aft deck door. The flybridge is accessed from the pilothouse stairwell and the aft deck stairwell. The flybridge has an upper helm with plenty of seating and a dining table to accommodate guest. Aft of the seating area is a large deck measuring 17' by 23' 9", large enough for casual furniture and still more room for your jet skis or tender.

Brokers Remarks

This vessel is a 2012 model and has never been titled. Vessel has been used as the companies show boat vessel, traveling to all the local boat shows. The Alaskan yacht design series is one of the most successful offshore cruising designs in the history of this category. Name began in the sixties and seventies and was updated by Arthur Defever in the mid nineties. This vessel offers top speed of 22 knots with her C-18 Caterpillar engines and efficient displacement economy at slower speeds. This vessel is in pristine condition and the engines and hull comes with warranties. Its not the destination that matters, it's how you get there!

Exclusions
