Fuel Type: Gas/Petrol

DETAILED INFORMATION

Description

The Formula 382 FAS3TECH is a true offshore performer, featuring Formula's state-of-the-art FAS3TECH hull configuration, designed to optimize speed and fine-tune stability.

If just the words "high performance" set your mind racing, you need to get into Formula FAS3TECH. It's all there — the reinforced hull and custom fiberglass grid structure, the multiplane hull configuration like no other for high-speed stability and the controlled, solid ride.

As always, Formula's marine engineering know-how locks in confident offshore durability. The sleek FAS3TECH helm stands out with a spectacular Silver Diamond Metallic Imron finish. Genuine carbon fiber instrument panels in red, blue or black follow the lead of the exterior graphic choice. Livorsi Monster speedometer, tachometer and Redline gauges plus silver-sparked black switches and chrome shifter/throttle controls complete the impressive command.

The matching red, blue or silver steering wheel finishes up the bold, sleek look. Strong colors and metallic silver upholstery punctuate the race inspired McLeod bolsters, contoured aft lounge and engine hatch. When you finally slow down to enjoy it, the fabulous FAS3TECH cabin pulls you in.

From the luxurious Ultraleather lounge with metallic silver inserts to the dramatic lighting and surround sound, you know you've arrived. Brushed metallic-finish cabinetry, Black Quartz Corian counters, a stainless steel sink and the convenience of a head complete your relaxing retreat.

With more graphic options than ever, customizing your Formula FAS3TECH is exciting and rewarding. There's phenomenal choices to let your personality shine through.

Exclusions

Owner's personal belongings.
