# DETAILED INFORMATION

---

## Broker's Comments

---

**A recent price reduction makes this the best value Hunter 44 on the market. It won't last long - Bring Offers...**

This Hunter 44DS has been maintained in immaculate condition by a knowledgeable original owner. Known for its strong hull construction and luxurious interior appointments this is a boat that provides excellent sailing performance, is easy to handle, provides real long-range cruising capability and is extremely comfortable to live aboard. What more could you ask for in a reasonably priced, mid-range, cruising sailboat?.

## Vessel Walkthrough

---

The interior of BLUE HERON II is expansive with generous amounts of ventilation, natural lighting, storage and convenience features.

Forward, the spacious private V cabin has a centerline queen berth, large hanging locker, lockers outboard, and just aft a large ensuite head compartment with a mirrored and lighted vanity and a separate stall shower.

The salon has a large settee to port that can easily seat six and a convertible dinette table that provides an oversized double berth. Opposite to starboard is an oversized double settee while the navigation station is adjacent just aft.

Opposite the nav. station to port, is the generously oversized seagoing galley facing forward yet very convenient to the companionway where serving a hungry crew in the cockpit is close at hand.

To starboard is the master's stateroom head compartment with a separate shower stall that features a dual door access from either the salon next to the companionway or from the aft cabin.

The master's cabin aft features a queen centerline berth with innerspring mattress and bedding package; a settee and bookshelf/library to port and an illuminated mirrored vanity with Corian countertop is just forward. Opposite to starboard is a storage cabinet with additional storage compartments and a large cedar lined hanging locker to provide exceptional storage space for the long-range cruiser. Ventilation and natural lighting is provided by 3 ports and 1 hatch.

## Salon

---

Beautifully finished joinery in satin finished teak furnished with deluxe blue cushions and fabric package provides ultimate beauty in interior treatments while functionality of ship board

equipment is skillfully blended into the close at hand convenience of the integrated navigation station. Tastefully furnished and accented with pillows and other décor, this expansive salon is bright, airy, and exceptionally roomy.

## Galley

---

With all the conveniences, beauty, and equipment of a gourmet's delight, the expansive L shaped galley is appropriately situated for the chef to be able to provide food service quickly, conveniently and safely to either crew on deck or relaxing guests below.

Built in features prove out Hunter's forward thinking & Along with the Corian countertops, a large (4+) yet seldom seen pantry with 3 pull out drawers below, in-counter waste bin, separate under counter front opening fridge and freezer, three generous storage lockers, built-in 3 shelf spice rack, and even additional storage under the sole.

Not forgotten is generous ventilation and lighting provided by overhead fluorescent, lighted self-draining dish storage cabinet, deck hatch, opening port, as well as a double stainless steel sink with cutting board.

- Seaward Princess 3burner propane stove w/oven LPG control
- Tappan Microwave
- CoolMate under counter fridge
- CoolMate under counter freezer\*
- 110vAC & 12vDC receptacles
- Hunter 6 place setting galley ware

## Hull and Deck

Upon first visit, it is obvious the builder has provided an exceptionally clean and well-organized deck and impressive rig layout with full control of this beautiful yacht being easily accomplished by the skipper from the cockpit. At first notice is her flush mounted windlass, dual anchor bow rollers, and her Delta anchor with chain and nylon road all neatly stowed through and under the anchor locker lid to provide a safe and clean appearance of a proper yacht.

Attention to adequate deck storage has been more than satisfied with huge cockpit and stern lockers. Structurally, her integral fiberglass grid stringers and transverse cross members have a skin of solid fiberglass below the waterline and cored fiberglass hull sides that are reinforced in collision areas with Kevlar. Her hull is white with elegant dove grey molded non-skid and a full rub rail with s/s insert to protect the hull sides. There are five opening deck hatches forward and four more aft; two milk glass ports and one hatch in the aft head for maximum ventilation; stainless steel mooring and amidship cleats and expansive glass areas provide ventilation and daylight to all areas below.

The cockpit area is truly expansive with comfortable seating for 8 or more. Access below down through double outward opening doors w/slider hatch. Hunter's Mega-Locker to the cockpit's port side can easily and conveniently handle excess sail inventory, deck gear, life jackets, cleaning supplies, and perhaps another extra ton or two of excess stuff should you care to bring it along. Owner added canvas upgrades listed as (+) were added at delivery and have numerous convenience options for protection from the elements extending from the forward windscreen aft to the stern pulpits seats. Access to the water or to board a dinghy is very safe and exceptionally convenient through the stern pulpits.

- +Navy blue custom canvas package by North Sails
- +Dodger w/Strata glass
