'Made It' is a one-owner boat that was custom built & delivered to an experienced offshore fisherman. Original price including the extensive options list: OVER \$2,400,000!! She has upgraded MAN 1550hp engines with only 1650 original hours giving her a top speed of 39 knots, cruise at 32+ knots. She also has the larger Onan generator which just had zincs, filters & oil changed at 2150 hours. Both engines & generator have been serviced by certified MAN & Onan technicians since new. COMPLETE maintenance log since new showing every single part ordered, oil changes, repairs, haul outs, service records, etc etc - one of the most detailed log books I have ever seen!! She has long list of options & fully tournament rigged including the following features:
