Model: V12 CRM

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Walkthrough

The Viking 52 has a functional three-stateroom, two-head layout. From the aft sliding door you enter the spacious salon with an L-shaped sofa to port and dinette/entertainment center starboard. The galley is to port and is open to serve the salon and dinette area. It has plenty of storage and under-counter Sub-Zero refrigeration.

Going down into the companionway there is separate washer and dryer units to starboard as well as a stateroom with over and under berths. To port is the master stateroom with a queen walk-around berth and spacious ensuite head. Again on the starboard side is another head that is easily accessible from the multiple entrance ways of the companionway, starboard stateroom, and forward VIP stateroom. All the way forward is the VIP stateroom with a centered island queen berth with large storage capacity underneath as well as in the ensuite hanging lockers.
